SA380(Elite)	Elite PVCfoodwrap380mmx1200mx10mic	2 Roll per Ctn

- Food Film or Cling Wrap has revolutionised the Food Industry because of its preserving and protective qualities.
- This Film is now widely used for Food packaging fulfilling the needs of ordinary citizens as well as Food Production and Retail Outlets.
  - These films are generally thin (low micron) and offers strong tear resistance, it also stays flexible at very low temperatures.
  - Peak Pak Food Film has superior clarity, cling and stretch capabilities, made of 100% Food Grade Virgin PVC material.
    - Low in micron however strong enough to pack bones!

## PRINTED & CLEAR PVC SHRINK FILM & SLEEVES

- Wrapping non-food products like CD's, boxes, canisters etc.
- High clarity, transparency & dust-free.
  - Used for automatic & manual operations.
- Tamper proof packaging with Tear Strip/Perforation line
- We manufacture to your requirements!

**25mic, 30mic & 40mic**  
**Made to spec! - Confirm sizes**  
**with your Rep**
